

## **Anne Meyer**

Anne was Initiated into Chapter AB, Madison in 2015 and served as president and a delegate to State Convention. In her local chapter she has been active on the Ways & Means and STAR Committees. Anne introduced the idea of 'Tuesday Travelers', a small group in which sisters visited a local museum, garden or historic site for a tour and then enjoyed a lunch together. Completing her third year on the board of NJ State Chapter P.E.O., Anne attended LEAD in Des Moines, Iowa and Cottey Seminar in Nevada, Missouri representing New Jersey. Anne is looking forward to her year as Vice President and attending Convention of International Chapter in Pittsburgh, Pennsylvania with the New Jersey delegation.

Growing up in Westfield, New Jersey, Anne graduated from Westfield High School, received an BA in Biology from Vassar College, Poughkeepsie, New York and an M.Ed. in Natural Science Education from The College of New Jersey, Ewing, New Jersey. Anne taught science to middle and high school students in New Jersey for 17 years and was active in professional organizations for science educators.

Anne and her husband, Bill, have been married and resided in Madison, New Jersey for 32 years. They are the proud parents of identical twin daughters, Mary and Kathy. Anne was the care-giver for her loving parents in her home in their later years.

Committed to making the world a better place for everyone, over the years Anne has volunteered with The Junior League and the Vassar Club of New Jersey. In Madison, Anne volunteers with the Thursday Morning Club, Grace Episcopal Church, the Madison Historical Society, Madison Educational Foundation, PTO and Music & Arts organizations. To relax Anne enjoys hiking and knitting.

Anne is the 12<sup>th</sup> generation born in Bucks County, PA on her mother's side and spent school holidays visiting family in the Doylestown area. For their next chapter, Anne and Bill are downsizing and moving to Bucks County to be closer to their daughters who reside in Willow Grove, PA and Princeton Junction, NJ.
